From The Trustees:

Summer's the busy season for farmers, carnival barkers, and Eagle trustees. Through a generous grant from Mary Luebbe, we have been revamping the card room in memory of her husband Steve. Steve was an officer at the BD plant, and when he retired, he went back to his first love of cattle buying – and she would say that fully half of his deals were made while playing a hand of cards at the Eagles. We will be putting a dedication plaque up outside the room to honor sometime this fall.

Jodi Sanders has graced us with her presence as our new club manager. She brings 19 years of experience at Applebees and day-jobs in home healthcare in the tri-state area of Kansas, Nebraska and Colorado. If you've been wheatie whacking or having problems with your ankle bracelet and haven't been in lately, you'll have to drop by and meet her. With the flowers that custodian and past president Gary Carr brings in daily and Jodi's welcome smile, this is the cheeriest place in town!

We now have 2 pizza ovens for those late night snack attacks, a new ice machine, a new kitchen freezer and lights so bright you can't mistake that jack for a joker in the card room – and the banquet room also! As much as possible, the trustees have done all of this in their non-spare time and without costing the Aerie labor expenses. Kyle Taylor even spent part of his vacation painting all areas that needed it and the results are tremendous. (OK. Admittedly he's retired, so he's ALWAYS on vacation, but don't bring this up while you're complimenting him on his work!) We've got a new flag pole awaiting installation on the exterior and walk through the kitchen for a study in cleanliness. The place is coming around!

Tuesday Nite Pool will begin towards the end of September. We congratulate Jerry & Stacy Fertig on their purchase of the Cheex/Taste of Texas purchase and look forward to playing there also.

We're thinking of bringing in Darren & Tami Mues's BIG screen for football games. Had a lot of good feedback when we did it a year ago. It's about 12' X 8' and shows a good picture for when we beat Colorado's butt like the buffalo-behinds that they are!

Also, we hope to send 4 teams or so the weekend of October 27th to the state Dart tournament in York. They were very gracious to us during our hosting a year ago, helping with setup, teardown, and even stocking the bar. They have a very nice Aerie and are almost as friendly as we are. We'd like to return their hospitality and help them out – as well as take some of their money home for placing high in the tournament. Get your feathers trimmed and your plastic points sharpened and start practicing for this big event!

We are putting our names in the hat for the Western Zone conference in 2019, and hope to have the State Dart Tournament back here. It would really be a plum in our pudding if we have a new motel by then to accommodate the rest of the Eagle participants. We truly are known for our hospitality and usually get the support of the bigger clubs in Omaha – we just don't have the housing necessary to vie for the larger-venue get-togethers like pool or shuffleboard. If run properly (and we have for the last 15 or so years) these are money-making events that keep our roof from leaking, our air conditioning and furnaces working, and those grouchy trustees from growling all the time if things are breaking down.

Our Condolences

Our heartfelt sympathies to the families of Judy Olson and Rich Araujo. Both enjoyed our facilities; and the Araujo family has been hit very hard in the last 2 years, losing Pete and Linda within weeks of each other and now son Richard.

Beam-isms

So, this months Beam-isms are “Not-Quite-Beam-isms” but, Mark says “I wish I would’ve thought of ‘em!” So we’re gonna put them in here just for the fun of it!

1. 1 Bananosecond = The time between slipping on a peel and smacking the pavement!
2. The shortest distance between two jokes is “a straight line”
3. 365.25 days of drinking low-calorie beer = 1 Lite Year!
4. 1,000,000 aches = 1 Megahurtz!
