From the Aerie President

Brad Kimberly has now completed his 3rd week of intensive therapies at CHI Good Samaritan. He's regaining some of his strength and is walking short distances with the aid of a walker. All feel he's improving by leaps and bounds and agree that he is doing phenomenally for what his body has gone through. He's still a ways from coming home however. Tracy thanks you for your thoughts and prayers as he continues to heal in strength of mind, body and spirit.

The new heater worked admirably in the beer garden, (at least until a moron tried to push the switch by the 15-minute limit!?) and hopefully we won't need it again until late next autumn. Thank the trustees, in this case Doug Novak and Darren Mues, as they were instrumental in procuring and installing the heater and then replacing the timer switch with one that may be more fool-proof.

As they were donating their time, others have been donating also. 7—W Land & Cattle recently donated our new 75" flat screen on the west wall of the social room. The one that it replaces will be installed behind the bar in the near future. Tell Ryan Waller "Thank You" next time you see him.

Also, Tragg Olson has contributed a memorial to our pool tables in honor of his father "Fast" Eddie Olson who was known to team up with LaVerne Schemper on occasion for their sideline business of shearing unsuspecting sheep.

And the Steve Luebbe Memorial Card Room will have a new photo of him installed by the time St. Patrick blesses us with green beer if all goes as expected. It is an honor to be the president of an organization where you can meet college students that have benefited from our scholarship programs, deceased patrons have family that donate to our honor, and donated labor from friends and officers keep the prices reasonable and the premises kept up and ready for more events.

Continued...

Come to the Aerie on March 20th. Former manager and friend Ashley Hull is going to be in town and said she'd tend bar for free just to see all the old friends. If she's going to do that, we may have some drink specials from the Aerie to help her greet all her old acquaintances.

And we can start out by driving by the Mount Zion Lutheran Church for a soup & sandwich supper. They are having a benefit for Brad Kimberly and his family and all the expenses they've incurred since his hospitalization back around Thanksgiving. They're also raffling off a \$500 meat package from Fritz's that I encourage all NOT to buy tickets on. That way I'll have a better chance of winning!! (If you opt to go against my wishes, Kelli will have tickets at the bar.)

The Tuesday Nite Pool League will end this month. George Ogg's Eagles 8 team won the round-robin portion of the season, and Brian Taylor's Eagles 1 is currently tied with Richard Johnson's Eagles 10 team for the lead in the tournament. We usually discontinue Tuesday night burgers after the league is over, so come in on the 9th, 16th, or 23rd if you want to get your burger fix until next September.

In the meantime, the Knights of Columbus will be hosting their Lenten Fish Fries at our Aerie this year on Fridays 19th and 26th. That's GOOD cookin' and a great atmosphere. And if you're not really that hungry, come join the trustees and officers on Saturday, the 13th at 9 AM as we have a cleanup day and rearrange TV's, make repairs, and give some floors attention. You'll build up an appetite for sure!

Lastly, in the midst of the coldest February in decades, Brian Taylor demonstrated he could kindle a flame. Congratulations to Sonya and him for their marriage and reception February 27th. Now we only have one single trustee. Burgy, your time may be coming!!
